CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The curriculum of the higher education institution must be flexible enough to accommodate for shifting conditions in academia and business, as well as the demands on society. The flexibility of the curriculum makes it socially relevant. Given that Annamalai University, is connected with Government Arts College in Chidambaram. As a result, Annamalai University plans its curricula with the help of professionals and it recruits Teaching Faculties as members of Board of Studies. The way the curriculum is being implemented at this college is unique with reforming principles. Under the supervision of the individual departmental heads, the college's Principal, and Teachers engaged in maintaining the lesson plans, syllabus and progress records to ensure that the curriculum is successfully delivered, implemented

and completed. Today, Employability depends more on skills than knowledge. Therefore, curriculums need more focus on improving students' skills. Soft skill development classes and skill-based electives are arranged for the undergraduate students. The outcomes of these courses help the entire student community with much benefit because the instructors have an intensive experience in teaching soft skills. By participating in a range of subjectspecific refresher courses, seminars, and conferences to stay up to date on innovations in their Core Subjects and Education Technology

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

University follows CBCS system that has two components for assessment, one is internal test and the other is external examination. The internal test carries 50 marks for all the subjects. Internal marks for practical are 50. The College follows a systematic approach on Continuous Internal Assessment with students being evaluated as per the norms of the university, three internal tests are conducted for every semester. Internal tests are centralized and conducted systematically and periodically same pattern of question paper is used in the internal examinations. Internal marks awarded to the students are displayed on the notice board to promote transparency and uploaded the internal marks in the University web portal.

Assignments, seminars, projects and practicals are conducted. Internal tests facilitate continuous assessment of the student's progress. Students are encouraged to write improvement tests if they get low marks in internal tests. For practical assessments, the student is assessed by on the consideration of the attendance percentage, observation report, record note books and overall performance which is valued by the course teacher. Retest are conducted for the students who are engaged in the service programs related to sports/NSS. Reforms: Model examination is conducted at the end of the every semester before the University examination commences.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The institution laid a 360° holistic approach to assess the learning level of students and enlist them into various special programs accordingly.

The slow and advanced learners were primarily identified by (i) Analysing the marks of qualifying examinations (ii) Conducting an entry-level test and (iii) personal meetings with students.

1. Scholarship committee encourages students to apply for various scholarships.
2. Participation in summer fellowships, internships and training programmes.
3. Webinar series was conducted on various subjects to enhance students' learning experience.
4. Providing e-content to students.

Special Programmes for Weak Learners:

1. Bridge courses are organised for students to strengthen the foundations of the courses and enable them to cope with the

curriculum.

2. Remedial coaching programmes were conducted.
3. Peer Learning facilitates teamwork and knowledge gain for both advanced and weak learners.
4. Mentoring sessions are conducted to identify their problems and to assess their improvement in learning.
5. Counselling sessions help students to overcome their anxiety and stress disorders.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Our College makes continuous and conscious efforts to enhance the learning abilities of students' strengths, experimental and participating activities. Some of our student-centric methods encouraged and transformed the entire teaching-learning process in a fruitful manner.

The experimental and empirical methodology provides learning with experience among students in different ways, such as through Laboratory demonstration classes, practical experiments, Web-based learning, Internships, field visit, and computer labs. Student-centric programmes like quiz, group discussion, seminar presentation, online discussion, remedial coaching, and peer group teaching facilitate participatory learning among students Short term certificate courses provided extra participatory enrichment

for the students.

Full-time professional counsellors enhance the learning process by supporting them with their personal and professional concerns, if any.

Carrier guidance cell provides the platform for innovative thinkers to take forward their dreams. The use of ICT and e-resources, online certificate courses, online quiz platforms, video lectures and seminar presentations, making new apps, and digital competition programmes supported the students in the digital world.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Teachers of the college try to make the best use of the ICT in their teaching-learning process. The college has a Wi-Fi enabled campus, which helps the teachers and students to stay connected to the internet and learn and teach updated information.

The institution has a well-furnished computer lab, ICT-enabled classrooms with desktops, laptops and projectors. Online platforms like Google classroom, and Visual presentation are being used by students and teachers.

The college library provides access to e-resources, N-LIST, INFLIBNET, and e-journals to teachers and students. Most of the teachers make use of various types of technologies like PowerPoint presentations and video presentations. The teachers possess laptops and other internet devices such as tablets to enhance the process of knowledge transfer.

Besides the college website, some departments use the department website to share and update news and materials for the students and the public.

Teachers share reading materials, short notes, and e-books over different media like google classroom, e-mail, WhatsApp groups

etc. ICT-based education enhances the teaching-learning experience, thereby shifting from a teachercentric approach to a student-centric approach.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The institution strictly complied with the system of Annamalai University, Chidambaram in all aspects of Examinations. The internal assessment is based on versatile parameters such as Test papers, Assignments, Attendance, seminar and viva. The following measures are taken by the institution to ensure the transparency and robust nature of the Continuous Internal Evaluation System.

Centralised model examination system:

The institution follows a centralised model examination system, conducted by an examination committee. Departments and students were informed of the examination well in advance. Evaluation: Valuation of answer scripts was carried out in a time-bound

manner. Department Periodic Tests.

Every department organises periodic tests and completes the valuation of answer scripts in a time-bound manner.

Practical/Project assessment:

Science departments organise a model practical and regularly conduct assessments based on the examinations and records.

Assignments/ Seminars/Viva:

Assignments, seminars or viva are assigned to students and evaluated on time. Display of Internal marks:

Internal marks were displayed on the department notice board. Students can verify their marks.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The institution relies on an unbiased and lawful mode of the examination system and follows a hierarchical system for resolving the internal examination related grievances. It consists of a departmental committee, the Internal Assessment grievance redressal cell and the Annamalai University grievance portal.

Departmental committee:

Students can immediately approach the department concerned to sort out their disputes regarding the internal examination. They consider the requests for retests, seminars, resubmission of assignments etc. If the disputes are not resolved fully, the departmental committee refers them to the Internal Assessment grievance redressal cell of the institution.

Internal Assessment Grievances Redressal cell:

The institution forms an Internal Assessment Grievance Redressal Cell to address all disputes referred by the departmental

committee. It consists of five senior faculties from different streams. Decisions are taken based on the proper enquiry on the matters.

Annamalai University Student Grievance Redressal cell.

Annamalai University has constituted an online student grievance redressal cell as per UGC norms. A nodal officer has been appointed to deal with the matters concerned. Students can lodge their grievances through this online portal at the university level. University redirects the matter pertinently.

Real-time feedback system

Each department conducts a real-time feedback system to detect any glitches in relation to the internal examination system.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The Program Outcomes (PO), Programme Specific Outcomes (PSO) and Course Outcomes (CO) are adopted for all programs offered by the institution in accordance with Annamalai University guidelines. The programme and course outcomes depict the information and skills obtained by students upon the completion of a specific course or programme. Teachers and students have an awareness of the goals that must be met at each level so as to enable the students to proceed.

The main objectives of program outcomes are

- Students' talents will be enhanced to enable them to be qualified for the national and international employment prospects.
- To help them to achieve international standards both theoretically and experientially.
- To instil in future generations a feeling of social responsibility

- To prepare students for global programmes by developing critical thinking and communication skills.

Mode of communication of programme and course outcomes:

The programme and course outcomes are unambiguously explained to students in Orientation Day and Bridge courses.

Students interact with alumni to learn about their experiences and professional trajectories. Faculty members ensure that each student understands the curriculum, POs, PSOs, and COs.

The tutors in charge present the same in PTA meetings.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Multiple criteria are adopted for the continuous evaluation of the attainment of programme and course outcomes.

1. Internal and external examinations

Class tests and university examinations allow students to see the subject in a different way. This helps teachers to identify students' shortcomings and assist them in improving their comprehension.

2. Assignments and Projects

Assignments provide knowledge growth in a subject and projects, and students apply the acquired knowledge in real life and learn teamwork.

3. Practical experiments: Students have hands-on experience with the topic being explained during the practical session, and their skills in the safe use of equipment, making observations, and drawing interpretations can be monitored.

4. Viva-voce: The curriculum is evaluated objectively and logically in viva voce. In addition, the student's communication skills are also assessed.

5. Seminars: Students share their knowledge and ideas that assist academic and social growth. 6. Analysis of academic results helps to appreciate the knowledge level acquired by the students and bring changes in teaching methodology.

7. Appreciation and remedial measures:

Appropriate remedial measures are suggested to slow learners, and outstanding students are appreciated.

8. Feedback received from alumni, students, teachers, and employers helps the college evaluate its service policies and make changes to meet stakeholders' needs.

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

The innovation initiatives in the college range from updating local knowledge to discovery-based research. The faculties are motivated and are provided ample opportunities for pursuing innovative research ideas. They are asked to apply for grants and pursue their research problems. Students are also sensitised about the research problems by the faculty members. Our college stands out in that even the undergraduate students are provided with an orientation about the research and innovation activities in the college. The faculties have been instrumental in building a positive, research-friendly and innovation-centric learning institution. The college is also involved in maintaining a good research and innovation environment. The faculties are enthusiastic about the opportunities and the facilities and are keen to create and transfer knowledge. They publish their research findings regularly in top-tier research journals. Our research facilities, like the IR spectroscope etc., are used by researchers from outside the institution, and our faculty provides maximum support for their research endeavours.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The faculty, students, and college take up extension activities relevant to the community. The activities fall into two categories, ones that create awareness among the general populace and ones that can mitigate some general problems.

Sustainable development of the society is also a concern, and we educate the populace about the problems and the solutions. Participation of students in community cleaning programmes, organic farming activities and providing advice on dietetics and nutrition to the less educated and marginalised sections of the society are examples of our concern in educating the society.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The college's general policy is to attain the best outcomes in the academic field through efficient and scientific utilisation of the resources, facilities, and amenities of the college. Procurement, upgradation, maintenance and replacement of equipment and support facilities are properly monitored by college and department levels. At the college level, there is a Master Plan committee planning and supervising the utilisation of resources efficiently.

Continuous up-gradation of the library regarding knowledge resources and technology is ensured. Considering the requirements, the Library committee prioritises books to be purchased and the journals to be subscribed to and give recommendations. Based on these recommendations and the availability of funds, books and periodicals are purchased.

The sports infrastructure, facilities, and equipment are available for our college's students and teachers, nearby schools, and local communities. The sports committee is entrusted with the optimum utilisation of these amenities. Playgrounds and courts are accessible for the students of neighbouring institutions and the public during off-hours. Purchases are made as per the prescribed government rules. Stock register and logbooks are maintained. The competent authorities do auditing and annual stock verification.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The college is sensitive toward the pressing issues of gender, and thus various gender sensitisation programmes are conducted among students through different clubs, NSS and NCC.

Safety and Security:

To ensure students' safety, uniformed guards are employed at the gate, and CCTV cameras are installed at all strategic locations to prevent any untoward activity against students, especially girls. The institution has an active Women Cell that organises motivational talks to inspire and invigorate girl students. Most of the departments also have a lady teacher to attend to the specific needs of girl students.

Counselling:

The institution provides counselling with the help of professional counsellors. Besides, students are individually mentored by their class tutors for the entire duration of their stay in the college.

Common Rooms:

The college has a well-furnished common room. It is a place for girl students to rest and relax.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

Our College has incorporated into its constitutional ethos the democratic values of cultural, regional, linguistic and communal harmony.

As per university regulations, college admission is made through a

single-window system where seats are reserved for SC, ST, and other backward communities and students excelling in sports. The scholarship committee provides necessary guidance to the economically backward students to avail the different scholarships offered by Central and State governments. The committee also solicits the aid of external agencies and benefactors to help those who fail to get government scholarships.

The college embraces cultural, regional and linguistic diversities by observing the days of cultural and regional importance like Onam and Christmas. In addition, respective language departments celebrate Mother Language Day.

Nationally important days like Republic Day, Independence Day, Gandhi Jayanti, Yoga day etc., are celebrated by NCC and NSS.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

The college takes various initiatives to sensitise the students and the faculty to the constitutional obligations through many events and programmes.

An induction programme is organised each academic year for newly joined students where students are encouraged to plan their future course of action and be responsible citizens by fulfilling the obligations demanded by the constitution. The teachers play a key role in the smooth conduct of elections to Panchayat, State and Central legislatures as Presiding and Polling officers. The syllabus of English courses offered in the college consists of papers related to the Indian Constitution. Important days like Independence Day and Republic Day are celebrated by flag hoisting and parade by NSS. The speeches delivered these days emphasise the sacrifices made by freedom fighters and the responsibilities the youth had to fulfil moving forward. Moreover, the celebration of festivals like Pongal, Saraswathi Pooja & Ayutha Pooja, Ramjan and Christmas, joined by all students irrespective of their religious beliefs, promotes secular values among them.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC

format provided in the Manual.

1

Periodical meeting to review institutional activities:

Periodic meetings help to review the activities of every department, to improve the departmental activities, to encourage the faculty members, research scholars and students for improving their academic skill and talent in the highly competitive world.

Objective of the Practice:

- To assess the students' performance in examinations, project works, internship works, communication skills and their placement;

Practice:

The head of the institution assigns a tutor for every class. The tutor documents the academic performance of the students.

2

Remedial coaching:

After schooling education in Tamil medium, the students find difficulty to learn general English. Hence, a Remedial coaching system has been initiated to help the slow learners for improving their skill for speaking, writing and reading English.

Objectives:

- To provide learning environment for slow learners with apt programmes and assessment
- To enhance the skill for communication with different student groups and in societies

Practice:

Students are given due attention for improving their skill for general English through offering remedial coaching practice with appropriate syllabus.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The college's mission is to provide an unmatched opportunity for higher education to all, irrespective of caste, creed and sex. Accordingly, students from all categories of the society are enrolled during admission, and special care is taken to give due representation to the socially, economically, physically and intellectually challenged, ensuring an all-inclusive approach. More than 80% of students are girls.

Courses ranging from Undergraduate to Doctoral research are offered for the intellectual development of the students. In addition to the regular courses, our college provides job oriented training through soft skill training and Naan Mudhalvan.

To inculcate spiritual and moral values, comprehensive programmes like Yoga and meditation, classes on morality and social commitment, counselling and motivational classes are arranged for the students. The spacious campus also serves as a centre for physical fitness and wellness.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The curriculum of the higher education institution must be flexible enough to accommodate for shifting conditions in academia and business, as well as the demands on society. The flexibility of the curriculum makes it socially relevant. Given that Annamalai University, is connected with Government Arts College in Chidambaram. As a result, Annamalai University plans its curricula with the help of professionals and it recruits Teaching Faculties as members of Board of Studies. The way the curriculum is being implemented at this college is unique with reforming principles. Under the supervision of the individual departmental heads, the college's Principal, and Teachers engaged in maintaining the lesson plans, syllabus and progress records to ensure that the curriculum is successfully delivered, implemented and completed. Today, Employability depends more on skills than knowledge. Therefore, curriculums need more focus on improving students' skills. Soft skill development classes and skill-based electives are arranged for the undergraduate students. The outcomes of these courses help the entire student community with much benefit because the instructors have an intensive experience in teaching soft skills. By participating in a range of subjectspecific refresher courses, seminars, and conferences to stay up to date on innovations in their Core Subjects and Education Technology

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

University follows CBCS system that has two components for assessment, one is internal test and the other is external examination. The internal test carries 50 marks for all the subjects. Internal marks for practical are 50. The College

follows a systematic approach on Continuous Internal Assessment with students being evaluated as per the norms of the university, three internal tests are conducted for every semester. Internal tests are centralized and conducted systematically and periodically same pattern of question paper is used in the internal examinations. Internal marks awarded to the students are displayed on the notice board to promote transparency and uploaded the internal marks in the University web portal. Assignments, seminars, projects and practicals are conducted. Internal tests facilitate continuous assessment of the student's progress. Students are encouraged to write improvement tests if they get low marks in internal tests. For practical assessments, the student is assessed by on the consideration of the attendance percentage, observation report, record note books and overall performance which is valued by the course teacher. Retest are conducted for the students who are engaged in the service programs related to sports/NSS. Reforms: Model examination is conducted at the end of the every semester before the University examination commences.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The courses on Ethics, and Human Values are educated through NSS and NCC, and Environmental Studies are embedded in the curriculum of most of the programmes.

Environment:

In order to sensitise students about the environment and sustainability issues, a number of activities such as seminars, workshops, guest lectures, industry visits and field excursions were organised for students of all programmes. Workshops and seminars on various aspects of environmental sustainability are organised periodically.

1. Plastic Free campus
2. Environment club
3. Keeping the environment clean by NSS and NCC volunteers

Human values and Professional Ethics:

As an integral part of student engagement in social activities during their programme of study, the college also encourages students to enrol as NSS/NCC Volunteers. It aims at inculcating values, ethics and socially responsible qualities. Students organise street plays, awareness campaigns, debates etc. Human value activities by students have been conducted since inception.

Gender Sensitivity:

The college organises special programs on gender equality and sensitisation in association with Women's Cell. The Internal Complaint Cell is involved in the prevention, prohibition and redressal of the complaints regarding sexual harassment of women employees and students and conducts awareness campaigns.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The institution laid a 360° holistic approach to assess the learning level of students and enlist them into various special programs accordingly.

The slow and advanced learners were primarily identified by (i) Analysing the marks of qualifying examinations (ii) Conducting an entry-level test and (iii) personal meetings with students.

1. Scholarship committee encourages students to apply for various scholarships.
2. Participation in summer fellowships, internships and training programmes.
3. Webinar series was conducted on various subjects to enhance students' learning experience.
4. Providing e-content to students.

Special Programmes for Weak Learners:

1. Bridge courses are organised for students to strengthen the foundations of the courses and enable them to cope with the curriculum.
2. Remedial coaching programmes were conducted.
3. Peer Learning facilitates teamwork and knowledge gain for both advanced and weak learners.
4. Mentoring sessions are conducted to identify their problems and to assess their improvement in learning.
5. Counselling sessions help students to overcome their anxiety and stress disorders.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Our College makes continuous and conscious efforts to enhance the learning abilities of students' strengths, experimental and participating activities. Some of our student-centric methods encouraged and transformed the entire teaching-learning process in a fruitful manner.

The experimental and empirical methodology provides learning with experience among students in different ways, such as through Laboratory demonstration classes, practical experiments, Web-based learning, Internships, field visit, and computer labs. Student-centric programmes like quiz, group discussion, seminar presentation, online discussion, remedial coaching, and peer group teaching facilitate participatory learning among students Short term certificate courses provided extra participatory enrichment for the students.

Full-time professional counsellors enhance the learning process by supporting them with their personal and professional concerns, if any.

Carrier guidance cell provides the platform for innovative thinkers to take forward their dreams. The use of ICT and e-resources, online certificate courses, online quiz platforms, video lectures and seminar presentations, making new apps, and digital competition programmes supported the students in the

digital world.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Teachers of the college try to make the best use of the ICT in their teaching-learning process. The college has a Wi-Fi enabled campus, which helps the teachers and students to stay connected to the internet and learn and teach updated information.

The institution has a well-furnished computer lab, ICT-enabled classrooms with desktops, laptops and projectors. Online platforms like Google classroom, and Visual presentation are being used by students and teachers.

The college library provides access to e-resources, N-LIST, INFLIBNET, and e-journals to teachers and students. Most of the teachers make use of various types of technologies like PowerPoint presentations and video presentations. The teachers possess laptops and other internet devices such as tablets to enhance the process of knowledge transfer.

Besides the college website, some departments use the department website to share and update news and materials for the students and the public.

Teachers share reading materials, short notes, and e-books over different media like google classroom, e-mail, WhatsApp groups etc. ICT-based education enhances the teaching-learning experience, thereby shifting from a teachercentric approach to a student-centric approach.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The institution strictly complied with the system of Annamalai University, Chidambaram in all aspects of Examinations. The internal assessment is based on versatile parameters such as Test papers, Assignments, Attendance, seminar and viva. The following measures are taken by the institution to ensure the transparency and robust nature of the Continuous Internal Evaluation System.

Centralised model examination system:

The institution follows a centralised model examination system, conducted by an examination committee. Departments and students were informed of the examination well in advance. Evaluation: Valuation of answer scripts was carried out in a time-bound manner. Department Periodic Tests.

Every department organises periodic tests and completes the

valuation of answer scripts in a time-bound manner.

Practical/Project assessment:

Science departments organise a model practical and regularly conduct assessments based on the examinations and records.

Assignments/ Seminars/Viva:

Assignments, seminars or viva are assigned to students and evaluated on time. Display of Internal marks:

Internal marks were displayed on the department notice board. Students can verify their marks.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

The institution relies on an unbiased and lawful mode of the examination system and follows a hierarchical system for resolving the internal examination related grievances. It consists of a departmental committee, the Internal Assessment grievance redressal cell and the Annamalai University grievance portal.

Departmental committee:

Students can immediately approach the department concerned to sort out their disputes regarding the internal examination. They consider the requests for retests, seminars, resubmission of assignments etc. If the disputes are not resolved fully, the departmental committee refers them to the Internal Assessment grievance redressal cell of the institution.

Internal Assessment Grievances Redressal cell:

The institution forms an Internal Assessment Grievance Redressal Cell to address all disputes referred by the departmental committee. It consists of five senior faculties from different streams. Decisions are taken based on the proper

enquiry on the matters.

Annamalai University Student Grievance Redressal cell.

Annamalai University has constituted an online student grievance redressal cell as per UGC norms. A nodal officer has been appointed to deal with the matters concerned. Students can lodge their grievances through this online portal at the university level. University redirects the matter pertinently.

Real-time feedback system

Each department conducts a real-time feedback system to detect any glitches in relation to the internal examination system.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The Program Outcomes (PO), Programme Specific Outcomes (PSO) and Course Outcomes (CO) are adopted for all programs offered by the institution in accordance with Annamalai University guidelines. The programme and course outcomes depict the information and skills obtained by students upon the completion of a specific course or programme. Teachers and students have an awareness of the goals that must be met at each level so as to enable the students to proceed.

The main objectives of program outcomes are

- Students' talents will be enhanced to enable them to be qualified for the national and international employment prospects.
- To help them to achieve international standards both theoretically and experientially.
- To instil in future generations a feeling of social responsibility
- To prepare students for global programmes by developing critical thinking and communication skills.

Mode of communication of programme and course outcomes:

The programme and course outcomes are unambiguously explained to students in Orientation Day and Bridge courses.

Students interact with alumni to learn about their experiences and professional trajectories. Faculty members ensure that each student understands the curriculum, POs, PSOs, and COs.

The tutors in charge present the same in PTA meetings.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Multiple criteria are adopted for the continuous evaluation of the attainment of programme and course outcomes.

1. Internal and external examinations

Class tests and university examinations allow students to see the subject in a different way. This helps teachers to identify students' shortcomings and assist them in improving their comprehension.

2. Assignments and Projects

Assignments provide knowledge growth in a subject and projects, and students apply the acquired knowledge in real life and learn teamwork.

3. Practical experiments: Students have hands-on experience with the topic being explained during the practical session, and their skills in the safe use of equipment, making observations, and drawing interpretations can be monitored.

4. Viva-voce: The curriculum is evaluated objectively and

logically in viva voce. In addition, the student's communication skills are also assessed.

5. Seminars: Students share their knowledge and ideas that assist academic and social growth. 6. Analysis of academic results helps to appreciate the knowledge level acquired by the students and bring changes in teaching methodology.

7. Appreciation and remedial measures:

Appropriate remedial measures are suggested to slow learners, and outstanding students are appreciated.

8. Feedback received from alumni, students, teachers, and employers helps the college evaluate its service policies and make changes to meet stakeholders' needs.

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

The innovation initiatives in the college range from updating local knowledge to discovery-based research. The faculties are motivated and are provided ample opportunities for pursuing innovative research ideas. They are asked to apply for grants and pursue their research problems. Students are also sensitised about the research problems by the faculty members. Our college stands out in that even the undergraduate students are provided with an orientation about the research and innovation activities in the college. The faculties have been instrumental in building a positive, research-friendly and innovation-centric learning institution. The college is also involved in maintaining a good research and innovation environment. The faculties are enthusiastic about the opportunities and the facilities and are keen to create and transfer knowledge. They publish their research findings regularly in top-tier research journals. Our research facilities, like the IR spectroscope etc., are used by researchers from outside the institution, and our faculty provides maximum support for their research endeavours.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The faculty, students, and college take up extension activities relevant to the community. The activities fall into two categories, ones that create awareness among the general populace and ones that can mitigate some general problems.

Sustainable development of the society is also a concern, and we educate the populace about the problems and the solutions. Participation of students in community cleaning programmes, organic farming activities and providing advice on dietetics and nutrition to the less educated and marginalised sections of the society are examples of our concern in educating the society.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The college's general policy is to attain the best outcomes in the academic field through efficient and scientific utilisation of the resources, facilities, and amenities of the college. Procurement, upgradation, maintenance and replacement of equipment and support facilities are properly monitored by college and department levels. At the college level, there is a

Master Plan committee planning and supervising the utilisation of resources efficiently. Continuous up-gradation of the library regarding knowledge resources and technology is ensured. Considering the requirements, the Library committee prioritises books to be purchased and the journals to be subscribed to and give recommendations. Based on these recommendations and the availability of funds, books and periodicals are purchased.

The sports infrastructure, facilities, and equipment are available for our college's students and teachers, nearby schools, and local communities. The sports committee is entrusted with the optimum utilisation of these amenities. Playgrounds and courts are accessible for the students of neighbouring institutions and the public during off-hours. Purchases are made as per the prescribed government rules. Stock register and logbooks are maintained. The competent authorities do auditing and annual stock verification.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

IQAC conducts induction programmes for first-year students in association with various committees, clubs and forums as a part of outcome-based education. In addition, regularly reviews the teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through Student Satisfaction Survey, Internal Examination and Result Analysis, Teacher Evaluation, and Academic Audit.

Student Satisfaction Survey:

The online student satisfaction survey is conducted, and the responses are analysed. The report is presented to the College Council and Governing Body, and further actions are taken.

Internal Examination and Result Analysis:

Internal examinations are conducted regularly, and result analyses are made with the help of the management information system. The Parent-Student-Teacher Association (PSTA) meetings are held based on result analysis. According to the suggestions from parents and students, necessary steps are taken to improve the teaching-learning outcome.

Teacher Evaluation:

Teacher evaluation is conducted using a mobile app, and each teacher's performance is assessed. The principal has conducted a face to face interaction with each teacher individually based on this report. In addition, the principal gives common suggestions in the staff meeting.

Academic Evaluation:

An internal academic evaluation is conducted to evaluate educational activities, verify documents, and give feedback.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The college is sensitive toward the pressing issues of gender, and thus various gender sensitisation programmes are conducted among students through different clubs, NSS and NCC.

Safety and Security:

To ensure students' safety, uniformed guards are employed at the gate, and CCTV cameras are installed at all strategic locations to prevent any untoward activity against students, especially girls. The institution has an active Women Cell that organises motivational talks to inspire and invigorate girl students. Most of the departments also have a lady teacher to attend to the specific needs of girl students.

Counselling:

The institution provides counselling with the help of professional counsellors. Besides, students are individually mentored by their class tutors for the entire duration of their stay in the college.

Common Rooms:

The college has a well-furnished common room. It is a place for girl students to rest and relax.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

Our College has incorporated into its constitutional ethos the democratic values of cultural, regional, linguistic and communal harmony.

As per university regulations, college admission is made through a single-window system where seats are reserved for SC, ST, and other backward communities and students excelling in sports. The scholarship committee provides necessary guidance to the economically backward students to avail the different scholarships offered by Central and State governments. The committee also solicits the aid of external agencies and benefactors to help those who fail to get government scholarships.

The college embraces cultural, regional and linguistic diversities by observing the days of cultural and regional importance like Onam and Christmas. In addition, respective language departments celebrate Mother Language Day.

Nationally important days like Republic Day, Independence Day, Gandhi Jayanti, Yoga day etc., are celebrated by NCC and NSS.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

The college takes various initiatives to sensitise the students and the faculty to the constitutional obligations through many events and programmes.

An induction programme is organised each academic year for newly joined students where students are encouraged to plan their future course of action and be responsible citizens by fulfilling the obligations demanded by the constitution. The teachers play a key role in the smooth conduct of elections to

Panchayat, State and Central legislatures as Presiding and Polling officers. The syllabus of English courses offered in the college consists of papers related to the Indian Constitution. Important days like Independence Day and Republic Day are celebrated by flag hoisting and parade by NSS. The speeches delivered these days emphasise the sacrifices made by freedom fighters and the responsibilities the youth had to fulfil moving forward. Moreover, the celebration of festivals like Pongal, Saraswathi Pooja & Ayutha Pooja, Ramjan and Christmas, joined by all students irrespective of their religious beliefs, promotes secular values among them.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

1

Periodical meeting to review institutional activities:

Periodic meetings help to review the activities of every department, to improve the departmental activities, to encourage the faculty members, research scholars and students for improving their academic skill and talent in the highly competitive world.

Objective of the Practice:

- To assess the students' performance in examinations, project works, internship works, communication skills and their placement;

Practice:

The head of the institution assigns a tutor for every class. The tutor documents the academic performance of the students.

2

Remedial coaching:

After schooling education in Tamil medium, the students find difficulty to learn general English. Hence, a Remedial coaching system has been initiated to help the slow learners for improving their skill for speaking, writing and reading English.

Objectives:

- To provide learning environment for slow learners with apt programmes and assessment
- To enhance the skill for communication with different student groups and in societies

Practice:

Students are given due attention for improving their skill for general English through offering remedial coaching practice with appropriate syllabus.
